## YOUR BRAND is OUR BRAND

**MOST** chemicals manufacturers are only interested in promoting their own brand. They're not really interested in offering you a decent own label service.

We're not like them.  
We choose not to have our own brand.

This means that we give 100% of our attention to the creation and success of your own label brand.

### WE OFFER

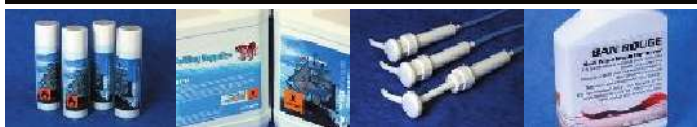

- a vast range of quality chemicals.
- in-house laboratory for product Innovation and product matching.
- state of the art in-house labelling facilities with up to photographic quality (no artwork charges!!)
- Friendly helpful staff committed to providing a first class service.
- industry leading order to delivery times

## NEW ACTIVE AWARD WINNING CLEANING

This amazing device produces an effective cleaning and disinfecting solution when and where you need it. The combined trigger spray and jug set filled with tap water and a little salt is activated on the special base giving New Active Cleaning power in every location.

This easy to use unit comes as a kit with everything you need to get up and running straight away. Especially effective if used in conjunction with microfibre. The disinfection is effective against all well known germs and the fluid is an effective cleaner for removing dirt and grease.

- CLEANS & DISINFECTS
- SPRAY & JUG UNIT
  - INNOVATIVE
  - SIMPLE TO USE
  - COST EFFECTIVE
- MICROFIBRE FRIENDLY
